Top End adventure

Take to the Top End of the Northern Territory for an action-packed itinerary exploring the best of the tropics.

Day 1

Start your adventure in the palm-fringed capital of Darwin at the **Waterfront Precinct** where you can tackle the Aqua Park, body board in the Wave Pool or lap up the city's endless summer with a dip in the Recreation Lagoon. The Waterfront has loads of lunch options to refuel before heading to the heart of Mitchell Street for the ultimate saltwater crocodile encounter – the **Cage of Death at Crocosaurus Cove** – a bucket list item when visiting the Territory. Bounce into the afternoon and watch the incredible sunset on a **Darwin Harbour cruise** for the perfect end to the day.

Day 2

Rise and shine, adventure awaits you! Take to the skies to experience first-hand that there is nothing quite like the thrill of skydiving over Top End country with Top End Tandems. After your morning adrenaline rush, grab a coffee and a copy of the NT News as you venture to the **Katherine** region – 3.5 hour's drive from Darwin. Head to **Katherine Outback Experience** to catch the afternoon show where you'll have a cracking time as you listen to the musical stylings of Tom Curtain and his furry assistant – a true outback experience unlike any other! Then it's off to **Marksie's Stockman's Camp Tucker Night** to dine under the stars and sit by the fire for a few truly Territorian tales.

Day 3

Today you'll be discovering the grand beauty of **Nitmiluk National Park**. Start your day with a **scenic helicopter flight**; the perfect way to take in the breathtaking views over the ancient river system. Spend the afternoon canoeing along the waterways of Nitmiluk (Katherine) Gorge surrounded by the towering walls of the gorge – an unforgettable experience. Take your own camping gear and stay on a **grassy, powered site or book a cabin** just a stone's throw away from Nitmiluk Gorge.

Day 4

Ready for some downtime? Hit the road and soothe your body in the thermal waters of the **Katherine Hot Springs** for a morning dip. Stop in at the Black Russian Caravan Bar in Katherine or the Pop Rocket Café next to the hot springs for a tasty bite. Then make your way back to Darwin for your evening flight.

Hire a bike or bring your own.

Red Centre adventure

- Ramp up for your Red Centre adventure with this fist-pumping itinerary in the heartland of the Northern Territory.

Day 1

Land at Uluru Airport where you'll pick up your hire car before hitting the road for an epic adventure. After you've settled into your **Ayers Rock Resort accommodation**, take in the incredible views of Uluru and Kata Tjuta like a camel with **Uluru Camel Tours**. Switch it up from the ground and take to the air on a **scenic flight** to witness the panoramic red hues of the landscape at sunset. The next treat awaits after dark as you follow a mesmerising path through the **Field of Light** – a globally-renowned open-air art installation by British artist Bruce Munro.

Day 2

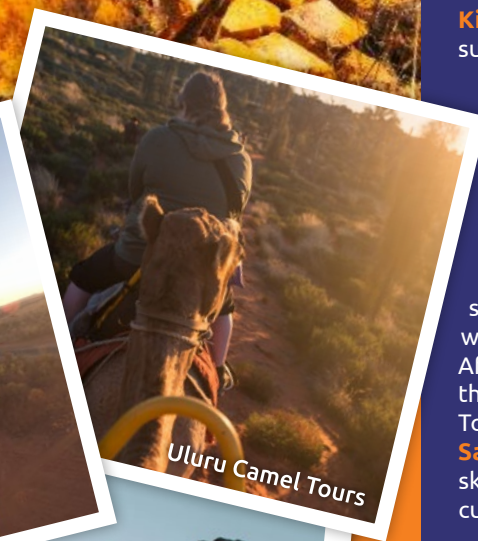

Rise early to catch the spectacular sunrise from one of the many lookouts in **Uluru-Kata Tjuta National Park**. Then grab some breakfast and a strong coffee. You're about to hit the road driving towards **Kings Canyon and Watarrka National Park**. The 3.5 hour trip takes you through unforgettable scenes of the Outback. Arrive at your accommodation at **Kings Canyon Resort** where you can settle in for sunset and dinner.

Day 3

Gear up and get ready for sunrise views that are out of this world along the six-kilometre Kings Canyon Rim Walk. Tackle 500 steps that are worth every grunt before enjoying the rewarding view from the first lookout. Continue past weathered-shaped domes and descend into the Garden of Eden where ancient plants thrive in this arid environment. After the walk, settle back into the car and turn up the tunes for the five-hour drive to **Alice Springs**. To finish off the day, make sure you visit the **Earth Sanctuary** to learn more about the brilliant night sky and hear from the guides specialising in ecology, culture and astronomy.

Day 4

Float into the morning and enjoy the epic sight of the MacDonnell Ranges at sunrise on an **Outback Ballooning** adventure. As you drift gently along, watch the colours change across the desert, spot red kangaroos and other wildlife, and appreciate the expanses of the Red Centre – followed by a light breakfast. End your journey at the **Alice Springs Telegraph Station** where you can learn the beginnings of the town's history and explore one of the shorter walking trails. The café is a great place to replenish your energy levels before getting ready for your evening flight.
